MEDICAPS UNIVERSITY

INTERNATIONAL CONFERENCE

ON

Convergence of AI, Start-up, Disruptive Technologies and Sustainability for Resilient and Future-Ready Organizations

IC-AISET - 2027

5 - 6 January, 2027

ORGANISED BY

FACULTY OF MANAGEMENT STUDIES,
MEDICAPS UNIVERSITY, INDORE

ABOUT THE UNIVERSITY

Medicaps University is one of the leading private universities in Central India. Since its inception, the University has consistently endeavoured to create an ideal academic environment for budding professionals and to nurture them into competent and responsible professionals.The University offers an optimal blend of academic excellence and industry exposure.This approach has contributed to the overall development and professional preparedness of our graduating students across diverse disciplines, including engineering, management, agriculture, commerce, science, pharmacy, and arts, over the past 25 years.

ABOUT THE DEPARTMENT

The Faculty of Management Studies (FMS) at Medicaps University offers comprehensive management education with a strong emphasis on leadership, innovation, and experiential learning.

Our programmes are designed to equip students with the knowledge, competencies, and skills required to succeed in an increasingly dynamic and evolving business environment. The two-year MBA programme is designed to develop students' managerial, leadership, and decision-making capabilities and prepare them for diverse professional opportunities. The three-year Bachelor of Business Administration (BBA) programme provides a strong foundation in core management concepts and practices. For those interested in pursuing advanced research, the PhD programme provides an opportunity to undertake rigorous and contemporary research in the field of management.

ABOUT THE CONFERENCE

The International Conference on Convergence of AI, Start-Up, Disruptive Technologies and Sustainability for Resilient and Future-Ready Organizations (IC-AISET - 2027) is proposed as a flagship global event to be held on 05–06 January 2027 in a hybrid mode. The conference will bring together academicians, researchers, industry leaders, policymakers, entrepreneurs, and scholars to explore emerging trends in AI, sustainability, innovation, and digital transformation. With six thematic tracks, high-quality publications, and alignment with NEP 2020, Startup India, Digital India, Viksit Bharat @2047, and the UN SDGs, the conference aims to foster global collaboration and impactful research, expecting participation from 150–250 delegates across various countries.

OBJECTIVES OF THE CONFERENCE

1. **To explore** emerging developments in AI, disruptive technologies, start-ups, sustainability, and digital transformation.
2. **To promote** interdisciplinary research and knowledge sharing among academicians, researchers, industry professionals, entrepreneurs, and policymakers.
3. **To foster** industry–academia collaboration and develop innovative solutions for contemporary business and organizational challenges.
4. **To facilitate** national and international research collaborations among universities, industries, research institutions, and think tanks.
5. **To strengthen** research and professional capabilities through doctoral colloquia, faculty development programmes, and knowledge-sharing sessions.

CONFERENCE TRACKS

Track 1: AI, Innovation and Disruptive Business Transformation
Track 2: Sustainability, ESG and Circular Economy
Track 3: Marketing, Consumer Behaviour and Digital Engagement
Track 4: Finance, FinTech and Digital Economy
Track 5: Human Capital, Smart Operations and Future-Ready Organizations
Track 6: Education, Research and Innovation Ecosystems

CALL FOR PAPERS

Authors are invited to submit original, unpublished research papers, case studies, empirical studies, conceptual frameworks, and review articles aligned with any of the six conference tracks. Submissions in the following formats are accepted:
Submission Guidelines:

- Manuscript format: APA 7th Edition; Times New Roman 12pt; 1.5 line spacing.
- All submissions subject to double-blind peer review by at least two reviewers.
- Papers must be original; plagiarism should not exceed 10% (Turnitin).
